

NATURAL CATCH® FRUIT FLY TRAP

"Just a short note to let you know we have used the fruit fly traps for nearly 3 years and have found them to be fantastic! We live in a major fruit-growing area in Ontario. Thanks for the product."

*G.E.,
Grimsby, Ontario, Canada*

"...please accept my gratitude for your wonderful product. I am buying them 1/2 dozen at a time..."

*J.A.,
Falls Church, VA*

"I have used your traps for two years now and am completely in love with them if indeed it is possible to have this relationship with a fruit fly trap."

*J.P.,
Carlisle, MA*

The Natural Catch Fruit Fly Solution

Natural Catch® Fruit Fly Trap controls fruit flies with a safe, easy-to-use, non-toxic, patented design. Because it is made of FDA approved food-grade material, there is no need to worry about potentially harmful ingredients. All ingredients are non-toxic and our unique triangular base provides greater stability, so spillage is highly unlikely. In addition, Natural Catch attracts fruit flies for up to 30 days.

Convenient And Versatile

Natural Catch works anywhere fruit flies are a problem. Our design allows easy use within displays or stands freely on countertops. To activate simply puncture the four holes using the specially-sized supplied stick.

Effective

Natural Catch has been satisfying customers in the United States, Canada and Europe for over 10 years.

At Bio-Logic, we are committed to providing an effective, safe product for trapping fruit flies. For more information, visit our website at: www.bugtraps.com
